

FINANCIAL AND INSURANCE HELP GUIDE

Get the quality of care you need, when you need it.

Our goal is to provide you the best quality dental care you need, when you need it. Our dedicated team will ensure you understand and maximize your dental benefits every step of the way.

Dr. Hecklin and Associates is a fee-for-service dental care provider. We will work with your insurance provider to cover whatever costs are eligible.

Being a fee-for-service provider allows us to choose the very best dental care plan for you, based on your individual needs. This means we do not depend on an insurance provider to determine the proper course of action or treatment plan that is best. If you have further questions regarding your insurance benefits, please contact one of our patient coordinators.

You can complete payment in a single transaction via check, cash or credit card or participate in a monthly payment plan via CareCredit.
